**More morning news:** WBAL-Channel 11 today was scheduled to become the second local television station to offer an hour of early-morning local news reports. "WBAL-TV 11 News at 6:30 A.M." is an addition to the 6 a.m. newscast already in place and a replacement for the half-hour of CBS News from 6:30 to 7 a.m. The expanded newscast will include financial tips from Julius Westheimer, entertainment news from Doug Roberts and "11 On Your Side" consumer reports from Jayne Miller. WJZ-Channel 13 has for some time had a 6 to 7 a.m. newscast. WMAR-Channel 2 carries NBC News at 6 a.m. before its half-hour local report at 6:30.

**RUDY MILLER NAMED CO-ANCHOR OF  
CHANNEL 2 NEWS' MORNING SHOW**

Beginning Monday, September 16th, Rudy Miller will join Horace Holmes as co-anchor of Channel 2 News' Morning Show, WMAR-TV's new 90-minute morning newscast. From 5:30am-7:00am, viewers can tune to this expanded program for the most accurate weather forecasts with Meteorologist, Ken Philips; Metro Traffic reports; sports with veteran anchor, Jack Dawson; and the latest in local and national news.

According to Miller, "I am genuinely happy to be back in television full-time. Co-anchoring the early edition of Channel 2 News is not only a new time period for me but a new challenge as well."

Miller joined the Channel 2 News Team in April, 1990. Her "Rudy's Kids" segments have aired each Thursday on Channel 2 News at 5pm.

She has been a reporter, anchor, weathercaster, and personality on Baltimore television and radio stations for fifteen years. "Rudy brings great knowledge and feeling for the community to our news program," said WMAR-TV News Director, Bob Feldman. "I'm thrilled to have her on the staff full-time and think that she and Horace make a great team!"

WMAR-TV premiered a 30-minute morning newscast at 6:30am in August, 1988.

In addition to WMAR-TV, Scripps Howard Broadcasting owns and operates television stations in Cincinnati, Cleveland, Detroit, Kansas City, Memphis, Phoenix, Tampa, Tulsa, and West Palm Beach. It also operates radio stations in Baltimore, Memphis, Portland, Oregon and cable television systems in California, Colorado and Florida, with 267,400 basic subscribers.

## M E M O R A N D U M

July 9, 1991

TO: Dick Janssen

FROM: Arnie Kleiner *AK*RE: Morning News

The following summarizes our staffing plan for the expanded 90 minute morning news program. Understand that the staffing and costs are the same for either 60 minutes or 90 minutes. I firmly recommend we go ahead with the project for several reasons:

1. If we, in fact, are going to be competitive now and in the future in the news arena, we have to compete head-on with WJZ and WBAL. They are both already doing hour-long AM newscasts.
2. Because we are going in third, I recommend we start at 5:30 AM so that we can take advantage of those real early risers. We can carry over early viewers past the 6:00 hour, and hopefully keep them watching our newscasts.
3. Added news time, with a reasonably inexpensive production cost, should be financially rewarding, if not in the first year, certainly down the road.
